**Sessions:** Recommended as a course of 3 - 5 sessions with maintenance thereafter.

Scan the QR Codes below for more information on our BBL laser machine.

## SKINTYTE

**Best For:** SkinTyte is a skin firming technique that uses rapid, gentle pulses of BBL to heat soft tissue for clear, healthy skin. During the treatment, a combination of dermal heating and epidermal cooling keeps patients comfortable and downtime low. This treatment can improve the appearance of severe wrinkles and restores a youthful contour to the face and body by improving firmness and elasticity.

This treatment is an add on to the BBL Forever Young treatment for the best anti-aging results.
